

What is it that i love doing and I am here to do?

- I love helping people discovering themselves
- assisting them resolving their problems and reaching solutions
- helping them aligning to their true Self which is a being of joy and happiness and
- help them make a fresh, higher ordered beginning within their daily life in alignment with their true Self.

Why?

- Because I believe, life doesn't have to be hard, harsh and full of struggles.

I love:

- guiding people and serve them healing their wounds
- guiding people finding their unique personal path and be a part of their transformational journey to freedom and love.

Why?

- I believe Life is a dream we manifest and so our dreams are an active part of the creation process.
- I believe we are Love and we deserve Love and happiness.
- I believe in the unlimited potential of human beings.
- I am a lightworker and I am here to Serve You and the World.

Join my world if you feel I can be of service to you. I will be mostly happy and honored to contribute to your Life path.

Yours,

*Eleftheria Papkalan*
